SONIC

THE NEW GENERATION SONIC. AN EXCEPTIONAL RANGE OF INTEGRATED
MOTORHOMES IN WHICH YOU WILL ALWAYS TRAVEL FIRST CLASS.

SMART AUTOMOTIVE STYLING AND CONTEMPORARY INTERIOR WITH A
CHOICE OF DIFFERENT FURNITURE STYLES AND TEXTILES, OFFERING
UNCOMPROMISED COMFORT AND ALL-YEAR ROUND PERFORMANCE.

Style, performance
and comfort all in one.

A man and a woman are sitting at a white table in the interior of a motorhome, enjoying a meal and drinks. The woman is on the left, wearing a light-colored top, and the man is on the right, wearing a grey turtleneck. They are both smiling and looking at each other. The table is set with a glass of beer, a glass of water, a plate of food, and a newspaper. The motorhome has a modern interior with wood-grain cabinets, a built-in oven, and large windows. The ceiling has recessed LED lighting. The overall atmosphere is warm and inviting.

Experience

(Model dependent: Matrix shown here).

All motorhomes feature a **double floor**, providing a single level floor throughout and 13 cm underfloor space for integrated utilities, insulation and extra storage. Impact resistant **Freshwater tanks** are optimally placed for vehicle balance and handling, formed in a single piece for durable leak-free performance and with easy access via the double floor.

The **Central Service Area** enables easy access and management of utility hook-ups when at a campground.

Climate-control

Our products offer optimal thermal performance with advanced insulation and a precision-engineered airflow system. Rigorous climate chamber testing ensures a **comfortable interior** even at low external temperatures, with fully functional water systems.

Optimal heating distribution to all living space. In cooler times choose **Truma** air heating or **Alde** liquid central heating system, with optional electric floor heating also available. In summer comfort is assured with air-conditioning available.

DESIGNED TO PERFORM

We choose the **base vehicle** and chassis for each vehicle, to achieve the best torsional strength, performance dynamics and integration with the living space design.

An aerial photograph of a dense, green forest. A light-colored, unpaved road or path winds through the center of the image, curving from the left towards the right. The trees are tall and closely packed, creating a textured canopy of various shades of green. The lighting suggests a bright day, with some areas of the forest appearing slightly brighter than others.
